The City of Bilbao
Bilbao is an internationally recognised town with a great deal of personality, which has managed to preserve its traditions whilst opening its doors to the future.

The Estuary of Bilbao, an active and silent witness of the town’s history, connects the old Town, which is the medieval centre of old Bilbao, to the cutting-edge architecture of Isozaki Atea and its greatest exponent, the Guggenheim Museum, which is at the forefront of the City’s impressive transformation.

Nowadays, Bilbao is a destination with a wide range of culture, gastronomy and leisure on offer.
